The author of the best-selling book, *The AI Classroom: Teaching & Learning in the Artificial Intelligence Revolution*, Dan imparts invaluable insights and tactics for harnessing AI in education. His work has earned him esteemed accolades such as the Tech Champion Award at the Digital Industry Dynamite Awards and Top 30 K-12 Influencers by EdTech Magazine.

Dan's former roles include serving as Director for Digital Strategy at Education Partnership North East and as a senior leader at a secondary school. Presently, he assumes the role of Director at Thirdbox Ltd.

Dan holds an M.A. from Durham University, a PGCE from UCL, and a Post Graduate Diploma in Design Thinking & Innovation from MIT. This robust foundation in academia has endowed him with the knowledge and skills to thrive in the ever-evolving world of AI and education.

Dan has helped 42,000+ educators worldwide embrace AI. Additionally, he has partnered with hundreds of small business leaders and marketing professionals, such as those from Welsh Water and Cleanspec Cumbria, to enhance their practices using artificial intelligence.

He is a regular contributor in the media on all matters of AI, having featured on ITV's Good Morning Britain, Time Magazine, Forbes, Sky News and ITV News.

Dan Fitzpatrick's unwavering commitment to the advancement of AI in education and his passion for fostering innovation in the field render him a highly sought-after expert, strategist, and thought leader. Dan's extensive knowledge and hands-on experience inspire educators, professionals, and organisations worldwide as they grapple with the challenges and prospects of the AI revolution.
